

## SCHOLARSHIP PROGRAM

Applications for undergraduate, graduate and practitioner scholarships must be emailed by May 31, 2024

The North Central Texas Branch Chapter Scholarship Program has three (3) categories in which scholarships will be awarded:

1. PRACTITIONER: Awarded to a full-time employee who is continuing an academic program towards enhancing their professional development for public works employment opportunities or advancement. The person must be currently employed in a Public Works related field, be a member of the APWA, or employed by a professional who is a member, or an agency or company that has a group membership, be recommended by their supervisor, and not have won a similar award in the last two years.

2. UNDERGRADUATE PROGRAM: Awarded to a college student who has earned at least 60 credit hours, at the time of the application, through enrollment at any accredited college or university in the State of Texas, seeking an undergraduate degree in a field related to Public Works Engineering or Public Administration. The student must also have at least a GPA of 2.5 on a 4.0 system and demonstrate an interest in a public works career.

3. GRADUATE PROGRAM: Awarded to a person who has earned at least six credit hours and is pursuing an advanced degree in Public Works Engineering Management or Public Administration at any accredited college or university in the State of Texas.
